Subject: Contract [redacted]  
Application of Perception Concepts to  
Photo Interpretation - Project PICS

Enclosure: Twenty Copies of Summary Report No. VE-1446-G-3  
Plus One Reproducible Vellum

Gentlemen:

Enclosed are (20) twenty copies, and (1) one repro-  
ducible vellum, of Summary Report No. VE-1446-G-3 which represents  
a summary of work completed on Contract [redacted] prior to the  
work authorized by Modification #6 dated 12 June 1963.

This report is not a specific requirement under the  
terms of the contract. It covers a key area of work which has not  
previously been separately documented, and we believe that it is of  
sufficient interest to be separately reported as a reference for ONR  
on the work under this project.

Very truly yours,

cc: ONR, Contract Div.  
Washington, D. C.
